Introduction of Mr. Christian Mundigler – new RED Aircraft Team member

Dear valid Customer,

we are pleased to inform you about Mr. Christian Mundigler joining our team as our new
Director Sales & Commercial Development.

Christian will take care of Customer Relations, Sales & Aftersales as well as the RED-Aircraft Services portfolio extension.

As Manager Rotax Aircraft Engines & Kart Business he contributed to the launch of the fuel-injection technology for the light aviation and established lately a new business unit Aftermarket Services – Repair Refurbish Replace at FACC for the commercial & business aviation.

As passionate aviator and pilot Christian will be more than pleased to answer your questions about our certified RED Aircraft V12 Jet A / SAF approved engine portfolio from 500 to 600 hp with or without gear box.

Please feel free to contact Christian via phone +49 152 346 656 12 or via e-mail c.mundigler@red-aircraft.com

Looking forward to a successful cooperation.
Best greetings from Germany!
Sincerely

Your RED Aircraft Team
